

## Capability Statement

FED CEW INC. provides top-tier IT hardware, software, and non-IT products (Industrial, HVAC, Medical) with a stellar federal service record. As a MAS GSA holder and partner with leaders like DELL, HPE, and CISCO, we offer tailored solutions. With an IDIQ contract, we supply unlimited products/services, executing high-profile contracts and earning top CPARS reviews. Adhering to FAR Clauses, we ensure timely, efficient delivery through strong partnerships.

## Core Capabilities

- **Proven Success in High-Value Contracts:** Proven Success in High-Value Contracts: Successfully delivered contract valued at \$684,688.40 with the DA and \$216,702 with the DON, showcasing our ability to manage substantial projects.
- **Diverse Project Experience:** Our portfolio spans IT solutions, such as Panther SW, to specialized equipment, including AR Modular RF Amps and Gold Sputtering Targets for NASA
- **Exceptional Performance Ratings:** Regularly receiving top CPARS reviews, underscoring our commitment to excellence and reliability.
- **Capability in Non-IT Sectors:** Expertise in delivering industrial, HVAC, and medical supplies, including turnkey solutions for indoor playgrounds and veterinary sterilizers.
- **Expert Project Management:** Expertise in overseeing projects from start to finish, ensuring timely delivery and compliance with government budgets and targets.
- **Versatile Product Offerings:** Specialized equipment for federal agencies, including KVM switches, displays, radio systems, and lab instruments

## Key Differentiators

- **Comprehensive Offerings & Proven Success:** Providing IT and non-IT products tailored to federal needs, with proven success in high-profile contracts and consistently outstanding CPARS reviews.
- **Strategic Partnerships:** With leading OEMs **DELL, HPE, HPI, CISCO, Lenovo, Eaton, Red Hat, Zebra**, and others, to deliver high-quality solutions.
- **Federal Expertise:** Holding MAS GSA and IDIQ contracts, we efficiently supply unlimited products and services to government, state, and county clients, ensuring best value.
- **Compliance** with FAR Clauses and Industry Standards.
